DIRECTORY

OF

NORTH CAROLINA PUBLIC LIBRARIES

This directory is divided into two sections, County and Regional. The County section is arranged alphabetically by name of county. The Regional section is arranged alphabetically by name of region, and then by county within each region. Libraries listed in ALL CAPS are headquarters libraries and those listed in lower case below each are branches or municipal libraries affiliated with that county or regional system. Independent municipal libraries (not affiliated with a county or regional system) are listed under the counties or regions in which they are geographically located.
